

Fry Spring Neighborhood Association

Effective public engagement is essential to transparent, responsive, and resident centered local government.

Ose Akinlotan, Assistant Director
Office of Communications and Public Engagement (CAPE)

Our Goal

To build trusted bridges across every neighborhood by showing up as a timely, adaptive, and strategic partner who strengthens understanding, connection, and community voice

Our Commitment

To create consistent, inclusive, and transparent engagement experiences that help every resident feel heard, informed, and connected to the decisions shaping Charlottesville

Our Purpose Today

to build connection, share clear and meaningful information, and create two-way dialogue that supports stronger relationships between residents, City staff, and the work happening across Charlottesville.

Roadmap for Discussion

1. Welcome & Opening Remarks
2. Neighborhood Leaders Program Overview
3. Introduction to Connect Charlottesville Platform
4. Citywide Project Highlights
 1. MyCville Improvements
 2. Economic Mobility Office & Action Plan
 3. Encampment Transition Overview
5. How to Use Connect Charlottesville
6. Neighborhood Engagement
7. Next Steps
8. Open Q&A
9. Closing & Community Connection

What is Connect Charlottesville?

✓ Following

Connect Charlottesville

Your Voice. Our Future. Connect Charlottesville is designed to strengthen community connection and transparency in decision-making.

What It Is

Connect Charlottesville is the City's centralized public engagement platform designed to help residents stay informed, participate in city initiatives, and remain connected to decisions impacting their community.

Why It Matters!

Helps ensure broad participation, clear communication, and shared solutions for Charlottesville's future. Social Pinpoint is a digital engagement platform that enables interactive, transparent, and inclusive participation. Charlottesville's Comprehensive Plan emphasizes the same values of broad participation, accessibility, and trust-building making Social Pinpoint a natural fit for the city's ongoing engagement strategy.

Featured Projects

Charlottesville Homelessness Response and Riverfront Transition

Charlottesville is taking a coordinated and compassionate approach to support people who are experiencing homelessness.

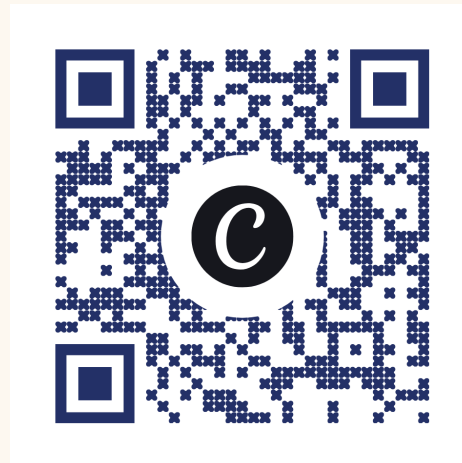

Fifeville Traffic Calming Project

Future Improvements

West Main Utilities Project

The replacement of aging gas and water distribution infrastructure along the West Main Street corridor.

Building on Community Power
